

5-Stand Field Setup Recommendations

Shooting ranges are important partners for clay target teams and play an vital role in providing student athletes a safe, fair, and competitive environment to participate in the League.

Ensuring a consistent and fair shooting experience throughout the League is important to the enjoyment of the sport for all participants. The League encourages shooting ranges to adhere to standard range and target specifications to the best of the shooting range's abilities. Following are some general guidelines to setting up your shooting range's 5-stand field.

TRAP	TARGET	FLIGHT
1	108MM	QUARTERING
2	90/108MM	QUARTERING
3	108MM	HIGH INCOMING
4	108MM	HIGH INCOMING
5	108MM	STRAIGHT AWAY
6	108MM	VERTICAL
7	90/108MM	HIGH INCOMING
8	RABBIT	ROLLING

8 Machines

STATION 1		STATION 2		STATION 3		STATION 4		STATION 5	
TRAP(S)	TARGET(S)								
2	SINGLE	7	SINGLE	5	SINGLE	1	SINGLE	3	SINGLE
